

ARMY FOREIGN LIAISON NEWSLETTER

For Members of the Washington Corps of Military Attachés

Winter 2016

FROM THE DIRECTOR:

Dear Members of the Washington Corps of Military Attachés,

Happy New Year! We in Foreign Liaison hope you've had a bit of a break, and are looking to the new year well rested and ready to go. The unpredictable Washington weather is upon us and should keep us all guessing. We'll see what comes next.

The Fall Trip to Texas went well, and thanks to the attaches who participated. The perspectives of senior leaders from U.S. Army South, U.S. Army North, the Texas National Guard, III Corps and 1st Cavalry Division leadership and the time they spent with us provided some great insights into the U.S. Army. I hope that you all found the trip to be educational and rewarding.

On that note, I hope that many of you will be able to join us in the spring, as we travel to the Northeastern United States. The trip will take place from April 30 to May 7, 2016. Unfortunately for some of you this does overlap with the Defense Foreign Liaison trip, which may limit opportunities to participate. We have worked with Defense Foreign Liaison and the other services to deconflict future iterations and prevent overlap. Stops on our Spring trip will include Boston, Massachusetts; Joint Base McGuire-Dix-Lakehurst, New Jersey; Burlington, Vermont; and Fort Drum, New York. As usual, the itinerary will include Active Army, Army Reserve, and National Guard units and installations, as well as opportunities to experience the unique geography and culture of that region of the country.

In addition to this year's orientation trips, we also look forward to offering continued presentations in our quarterly information briefing program. These briefings cover various aspects of the U.S. Army and how it operates and adapts to the contemporary security environment. These are great opportunities to discuss important topics with the U.S. Army's senior leaders and subject-matter experts. We hope you'll be able to join us on March 23 as we continue with the next briefing in our series.

Finally, I encourage each of you to enjoy this winter season in Washington, or somewhere else in the United States. While some may take advantage of opportunities to ski, I know others of you plan to travel to warmer climates. As always, Army Foreign Liaison will continue to work hard in the coming year to support you in your engagements with the U.S. Army.

Sincerely,

Jeffrey L. Jennette
Colonel, United States Army
Director, Foreign Liaison

Happy New Year from All of Us at Foreign Liaison!

HQDA Personnel Changes of Note:

The Honorable Patrick Murphy assumed duty as the Under Secretary of the Army on 4 January 2016. He is also the **Acting Secretary of the Army** until the Senate confirms the President's nominee to that position.

WAMA DEAN'S CORNER

Fellow Attachés,

Happy New Year to you all!

I hope you have all had the opportunity for a well earned rest over the unseasonably warm Christmas period. It now looks like winter has finally arrived and I am sure there will be some snow in the coming weeks!

We have successfully navigated a very busy autumn period of events and engagements.

The autumn is a relatively stable period in the Attaché Community. However, at Christmas we said goodbye to LTC Rob Crawford the Assistant Military Attaché for Australia and WAMA Executive Committee member. We wish Rob and Michelle, his wife and their daughters the very best for the future. Rob was an excellent Executive Secretary for the WAMA Committee and Michelle was a greatly valued member of the MAWA Committee, they will both be missed. We thank them both for their outstanding service. We also welcome Rob's replacement LTC Michelle McGuinness and her husband Adam.

The autumn period kicked off with our traditional September Welcome Day at Watkin's Glen Park. Thank you to all established WAMA members and their families for supporting this event and making our new members and the families feel so welcome. Despite the imminent rain, we managed to get in the annual walk around the park. Then, we enjoyed a wonderful spread of food under the cover of the pavilion. The rain did not dampen our families' enthusiasm and the event was a big success. Thank you to LTC Marko Tkotz and the German Defense team for organizing such a fun event.

The Fall Attaché Trip visited the Lone Star State of Texas with stops in San Antonio and Austin. It was an excellent visit with something for everyone in the group. We visited a wide variety of installations and units including Ft. Hood, Ft. Sam Houston and ARSOUTH, ARNORTH, MEDCOM, Beaumont Army Medical Center, TX Army NG, TX Army Reserve, III Corps, 1st CAV Div., and 3rd CAV Regt. The opportunity to visit historic San Antonio and the engagements at the State Capital in Austin were greatly appreciated. A huge thank you to Army Foreign Liaison's COL Jeff Jennette, MAJ Seth Kozak, and Sofia Stasishyn for a great trip.

The WAMA autumn lunch was held on the 18th of November and we welcomed LTG Gary Cheek, the Director of the Army Staff as our guest speaker. Thank you to BG Kumwah Leong, Defence Attaché for

Singapore and the Singapore Embassy for agreeing to host the lunch. It was a memorable opportunity for the Corps of Attachés to consider some challenging issues followed by a fun and informal lunch.

Our final event of 2015 was the WAMA Winter Ball held on the 4th of December. We were well looked after by Mrs Beverly Houston and the staff of the Washington Plaza Hotel. With a total of 112 members, spouses and guests it was a great end to a busy year. Thank you to COL Nick and Sarah Lock, along with the rest of the Executive Committee, for all their hard work in organising an excellent evening.

The WAMA Executive Committee and I look forward to seeing you at the WAMA AGM which will be held at the Finnish Embassy on Thursday the 4th February. We will have our traditional program of events throughout 2016 and we all very much look forward to spending time with you in a relaxed professional atmosphere.

We hope you have found them to be enjoyable and useful. We are preparing for an eventful 2016, and hope you will have the opportunity to join us for another round of insightful information briefings and robust orientation trips.

Although we didn't have a white December, the snow was not far behind. Our next information briefing is scheduled for 23 March 2016. The topics will be the FY2016 Army Budget Overview; the venue is the Joe Rosenthal Theater located on JB Myer-Henderson Hall. Invitations and registration forms will be distributed about two weeks prior to the event.

Attaché Orientation Trips:

The Spring 2016 Orientation Trip is nearing. It is planned for the northeastern region of the United States and will take place 30 April to 7 May 2016. Invitations will be sent in March and a pre-trip briefing is scheduled for 22 April, in room M1 of the Pentagon Library and Conference Center.

This trip will take us to Boston, Massachusetts where we will experience the famous USS Constitution, Bunker Hill, world renowned Harvard University, and visit the storied Fenway Park, home to the Boston Red Sox. Participants can learn about Boston's beer brewing tradition, and savor some regional cuisine. The attaché program will also explore the equipment research and development facilities at Natick, and learn about the expeditionary capabilities of the Army Reserve at Joint Base McGuire-Dix-Lakehurst, New Jersey.

From there we'll travel to Burlington, Vermont where we will visit the National Guard's Mountain Warfare Center, tour important landmarks of the Revolutionary War, and enjoy the historic and cultural center of Burlington. We will conclude the trip at Fort Drum, New York, home of the 10th Mountain Division and conduct cultural excursions to Boldt Castle and other notable landmarks. As always, we hope you will be able to join us on this outstanding trip!

FROM ARMY FOREIGN DISCLOSURE:

Military Attaché Recognition:

The Department of the Army Visit policy states the Office of the Deputy Chief of Staff, G-2, will generally not process a Request for Visit Authorization (RVA) submitted with less than ten working days (14 calendar days) prior to the requested start date of the visit.

The Army Foreign Disclosure Team would like to express its appreciation to the Military Attachés of the countries listed below for their outstanding efforts to meet the Army's ten working day standard on visit submittals during FY 2016. The Army Visits Team continues to work towards formalizing this recognition. Good luck to each Military Attaché and their staff.

The FY 2016 standings after one quarter are:

	Embassies on Pace for More Than 100 Visits	Embassies on Pace for 20 to 99 Visits
Top Performer	Sweden 94% of submitted visits meet or exceed the Army Standard	Brazil 100% of submitted visits meet or exceed the Army Standard
2nd Place	France & The Netherlands	Turkey
3rd Place	Canada	Spain & Poland

Avoid Problems By Following This Simple Visit Rule:

There have been several recent reports from field activities of visitors attempting to expand the scope of approved visit purposes during the visit event. This has led to unfulfilled expectations by visitors and embarrassment for the hosting activity. We ask for your assistance in avoiding these circumstances by understanding U.S. Army visit requirements.

The Military Attaché Guide (Administrative Guidance) explains U.S. Army visit requirements. You should have received a copy of this publication during your accreditation process. The document is also available on-line at <http://www.dami.army.pentagon.mil/offices/damifl.aspx>.

We would like to highlight the requirement in Annex B-1, page 4, which states, the purpose of the visit should convey the desired topics in sufficient detail to provide the hosting activity with the information necessary to properly prepare for the event. The purpose of this requirement is to ensure the objectives of the visit are met. First, a detailed purpose makes it clear exactly what information is needed by the visitors and why. Second, it affords the hosting activity with the professional courtesy and time necessary to properly prepare the information for presentation at the event. Lastly, it assures both parties that this an official request on behalf of government and any information received from the U.S. will be handled in accordance with the governing bilateral security arrangements.

Personnel:

Ms. Kathryn (Kate) Shriver (kathryn.l.shriver.civ@mail.mil, 703-695-1041) is responsible for all Foreign Visit Requests for the following regions/international organizations:

Asia
Middle East
Oceania

Ms. Linda Sell, (Linda.A.Sell.civ@mail.mil, 703-695-1091) is responsible for all Foreign Visit Requests for the following regions/countries:

Latin America

Processing of One-time and Extended Visit Requests:

The online computer-based Foreign Visit System (FVS) remains the preferred method to submit visit requests. Use of the computer-based FVS expedites request processing time, provides a means of checking a visit's status and provides a means for confirming receipt of submitted visit requests. Embassies not using the computer-based FVS are hampered by the additional processing and staffing time required for manually submitted visit requests. Embassies are strongly encouraged to install and use the computer-based FVS. Installation of the computer-based FVS and associated instructional training on use of the computer-based FVS is available at no cost to Embassies. The only technical requirement for use of the computer-based FVS is Microsoft Internet Explorer 7.0 or higher. Embassies are encouraged to contact your Desk Officer or the DoD FVS Office at 571-372-7623 or by email at DTSASPANSupport@dtsa.mil to coordinated installation of the computer-based FVS and to arrange for the associated training.

Please also note that official visit requests must be sent to Foreign Disclosure, not to Foreign Liaison. Every country has a primary and an alternate Foreign Disclosure Desk Officer whom they are encouraged to contact with any questions on submitting Foreign Visit Request as well as Requests for Information. Please see the Desk Officer listing included with enclosures to identify your Desk Officer.

One-time Visit Requests:

In accordance with the Military Attaché Guide (Administrative Guidance), all Requests for Visit Authorization (RVA) should be submitted at least 30 days prior to the start date of the visit. The Office of the Deputy Chief of Staff, G-2, will not process RVAs submitted less than ten working days (14 calendar days) prior to the requested start date of the visit. Visits submitted less than ten working days (14 calendar days) will be immediately returned without action. This affords the hosting U.S. Army Command the professional courtesy and necessary time to properly prepare for the visit and any related actions.

The only two exceptions to the 10 working day suspense requirement are:

-- Visits to the Army Secretariat and Army Staff;

-- Visits deemed mission essential or time sensitive by the U.S. Army. In order for you to be able to utilize this exception, a DA organization must have submitted a request for waiver to the Office of the Deputy Chief of Staff, G-2, on your behalf.

Extended Visit Requests:

All Extended Visit Requests must be submitted 90 days prior to the requested visit start date concurrently with the Extended Visitor's Photograph and Biography in accordance with the Military Attaché Guide; Administrative Guidance. Extended Visit Requests submitted less than 90 days prior to the requested visit start date or submitted without the required Photograph and Biography will be returned to the Embassy without action. Photographs and Biographies must be sent, in accordance with the Military Attaché Guide; Administrative Guidance, to:

usarmy.pentagon.hqda-dcs-g-2.mbx.dami-cd-guardian@mail.mil

Extended Visit Requests, must include the following information in Case Details section of the Extended Visit Request: the name of the incumbent officer and the type of position the new officer will fill (Military Personnel Exchange Program Officer, Cooperative Personnel Program Officer, Foreign Liaison Officer, or Engineer and Scientist Exchange Program Officer).

Extended Visit Requests must include the following accompanying family member information in the Embassy Remarks Section of the Extended Visit Request: the family member's full name, passport number, gender, birth date, country of citizenship and relationship to the sponsor. If the Official on the Extended Visit Request does not have accompanying family members, a statement to that effect should be included in the Embassy Remarks Section of the Extended Visit Request.

These important administrative requirements provide the hosting U.S. Army Command with key information necessary to prepare for and properly support the extended visitor and the extended visitor's accompanying family members. Extended Visit Requests submitted without this key information may be returned to the Defense Attaché Office without action.

Requests for Information:

To avoid processing delays when submitting Requests for Information (RFI), please ensure the request is sent to the RFI inbox, **usarmy.pentagon.hqda-dcs-g-2.mbx.dami-cd-foreign-disclo@mail.mil** (please make bold) and not to Foreign Liaison. If you have any questions, call your Foreign Disclosure (DAMI-CDD) Desk Officer. They are all listed in the roster attached to this newsletter and are prepared to assist you in your submittals.

RECURRING ADMINISTRATIVE NOTES AND REMINDERS:

Office Calls and Other Meetings with the G-2:

Army Foreign Liaison is the point of contact to arrange any office calls or other meetings with the G-2 or any of the senior leaders within the G-2. Please do not contact the G-2 front office directly as this will only slow down your request when the front office personnel refer you back to Foreign Liaison. If a

Military Attaché wants to meet with any G-2 senior leader, please contact the Director, Deputy Director or Chief of Coordination Division. If you want to arrange for a delegation to meet with anyone in G-2, please contact Foreign Liaison Operations Division. If you are not sure whom to contact, just call any one of us and we will get you on the right track.

Attaché Biographic Data Form:

The Attaché Coordination Division asks that you make use of the Biographic Information Form (Annex A-2 in the Attaché Guide) for accreditation and submit the completed form electronically to jacqueline.m.green.civ@mail.mil or robin.a.proudie.civ@mail.mil. You may also send a paper copy via the diplomatic courier facility. Submit it along with the other documents which are listed at: <http://www.dami.army.pentagon.mil/DAMI-FLGuide.aspx>.

Military Attaché Guide:

The Social Directory and Administrative Guide are being revised and reviewed. We expect the new version to be published by the end of February. The guide includes instructions on completing the DD Form 1172-2 for identification cards and DEERS enrollment. We have also posted the Administrative Guidance on the FL website. As you may well imagine, the information in the Social Directory is constantly changing due to changes in the Attaché Corps, so please continue to keep us informed of changes as they happen. Please send any updates to robin.a.proudie.civ@mail.mil (for countries from A-K) or to jacqueline.m.green.civ@mail.mil (for countries from L-Z).

Military Personnel Exchange Program (MPEP) Nominations:

Nomination of exchange officers to established MPEP positions is a two-step process which must be completed 90-180 days before expected arrival of the exchange participant.

Step One: Submit a nomination email to the HQDA MPEP Branch Chief and include the U.S. Army MPEP Position #, the U.S. Army host unit, a military biography and photograph of the nominee, and expected arrival date.

The MPEP Branch will process all nominations with the host unit chain of command in less than 30 days. To streamline the process, you may consider your nominee accepted if you receive no response after 30 days.

Step Two: Once the host unit chain of command has concurred with your nominee and no later than 30 days prior to arrival of the exchange personnel, submit the required Extended Visit Request (EVR) into the International Visits System located within your Embassy. This EVR will also include information on the exchange officer's family members within the remarks section. It is important to include family members for subsequent required ID cards and other processes.

The result of this process will be an Extended Visit Approval (EVA) which will allow the exchange personnel to actually arrive and perform the duties of the exchange position.

MPEP Branch Point of Contact for nominations or questions:

- John C. Wirick, Branch Chief, 703-692-8218, john.c.wirick.civ@mail.mil
- Captain Justin Liberatore, 703-692-8146; justin.c.liberatore.mil@mail.mil

PROTOCOL:

Ms. Sofia Stasishyn is ready to help you. Please direct any invitations, correspondence, or protocol questions to the FL Protocol e-mail: hqda-dcs-g-2.mbx.fl-protocol@mail.mil

You can contact Sofia directly at: sofia.stasishyn.civ@mail.mil or 703-692-1459.

Invitations:

General Guidelines:

Please direct any questions that you may have regarding protocol or invitations to the Army Foreign Liaison Protocol Section. We ask that you follow these guidelines concerning official social invitations extended to U.S. Army personnel:

- Please deliver invitations to Army Foreign Liaison at least 15 calendar days in advance of the event for the best U.S. Army representation.
- All invitations for Headquarters, Department of the Army personnel for official social occasions in the greater Washington, DC, area must be sent through Army Foreign Liaison. This enables Army Foreign Liaison to help you achieve your desired attendance. We ensure invitations are delivered promptly and monitor responses.
- To request the most current U.S. Army Foreign Liaison "A" List prior to sending your invitations, you may contact the Foreign Liaison Protocol Section at 703-692-1457 or 703-692-1459, or email your request to sofia.stasishyn.civ@mail.mil and abbey.l.green2.civ@mail.mil.

Hard Copy or Paper Invitations:

- **PLEASE, DO NOT MAIL INVITATIONS.** Deliver invitations directly to Foreign Liaison Protocol Section in Room 2E424, or to us through the Department of Defense (DoD) Diplomatic Courier located in the Pentagon Remote Delivery Facility (RDF) between 1000-1100 hours, Monday through Friday, except U.S. holidays. Please note that each invitation must reflect complete TO and FROM addresses.
- Invitations extended to U.S. Army general officers and U.S. Army civilian employees of similar rank should be accompanied by a list of all U.S. Service invitees.
- When sending invitations to a number of people for a single event, we recommend you email a scanned or electronic version of the invitation, along with a complete list of invitees, to the following two addresses, or fax a complete list of invitees to Foreign Liaison Protocol at 703-697-8412:
 - sofia.stasishyn.civ@mail.mil
 - usarmy.pentagon.hqda-dcs-g-2.mbx.fl-protocol@mail.mil

Email Invitations:

The use of e-vites is very practical, but we must issue the following guidelines to any embassies using these e-mail based invitations.

If you send invitations directly by e-mail to Headquarters, Department of the Army personnel, please also e-mail a list of all invitees to the event to the following two addresses:

- sofia.stasishyn.civ@mail.mil
- usarmy.pentagon.hqda-dcs-g-2.mbx.fl-protocol@mail.mil

Please do not e-mail invites directly to the senior Army leadership. By that, we mean, the Secretary of the Army, the Chief of Staff of the Army, the Under Secretary of the Army, the Vice Chief of Staff of the Army, and the Director of the Army Staff. If you wish to invite those individuals, let FL Protocol know and we will deliver the invitations. Army officials expect invitations to be routed through Army Foreign Liaison. If an invitation is sent directly to a senior leader’s office, they return it to Foreign Liaison for proper routing anyway. Therefore, the most efficient delivery method is to deliver your US Army invitations to the Foreign Liaison Protocol Officers by email, courier or fax.

Dress:

Prescribing dress in invitations can be confusing, especially for military uniforms. We emphasize that you at the foreign embassies should not have to guess which uniform is appropriate for U.S. Army personnel. Please use one of the standard categories of dress: formal (rarely used), semi-formal, informal, casual or very casual. Based on that guidance, Army personnel will know the correct uniform to wear. If you want all attendees in civilian dress, please make that clear.

The most confusing category of civilian dress is “casual,” and its various versions, such as “business casual” or “smart casual.” The category can include everything from jacket and tie to a polo shirt and slacks. To reduce confusion, you should always explain what you mean by “casual” when it is on an invitation.

The following chart illustrates the civilian and equivalent military standards of dress.

Category of Dress	Civilian Attire	U.S. Army Uniform
Formal	White Tie	Army Mess Dress Uniform
Semi-Formal	Tuxedo (Black Tie)	Army Mess Dress, or Army Service Uniform with Black Bow Tie
Informal	Business Suit	Army Service Uniform
Casual	Sports Jacket with or without Tie (Invitation should stipulate this)	Army Class B Uniform Note: This is rarely used, and is limited to certain events, usually during hot weather.
Very Casual	Shirt and Slacks with or without Jacket. (If more casual attire is desired, such as for a barbecue, the invitation should stipulate this)	None
